

AES RAPTOR R1000

MOBILE FALL PROTECTION SYSTEMS

**THE RAPTOR NOW OFFERS
EVEN MORE PROTECTION!**

◆ **NEW DESIGN
PROVIDES**

**FALL ARREST FOR
TWO WORKERS!**

AES RAPTOR HAS UPGRADED THE
RAPTOR R1000 TO ALLOW
TWO WORKERS FOR FALL ARREST!

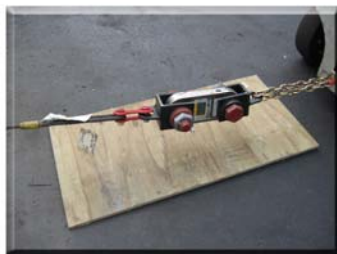

THIS NEW SYSTEM IS STRONGER THAN
OUR ALREADY STRONG CARABINER SYSTEM.

IN FACT, WE TESTED IT TO ALMOST 18,000
POUNDS OF FORCE APPLIED, FAR IN
EXCESS OF OSHA REGULATIONS.

THIS ALLOWS EACH RAPTOR R1000 TO
SUPPORT TWO WORKERS FOR FALL ARREST
OR TWO WORKERS FOR FALL RESTRAINT.

IF YOU ALREADY OWN A RAPTOR R1000,
THE GOOD NEWS IS THAT THIS NEW SYSTEM
RETROFITS ONTO EXISTING SYSTEMS!
